Recommendation letter Anastasiia Mokhonko

To whom it concerns,

With this letter I would like to share my appreciation for the professional skills of Anastasiia Mokhonko.

Anastasiia is a very bright Applied Data Science & Artificial Intelligence students, who always works professionally and has excellent technical, organizational and communication skills. Her average mark exceeds 7,5/10.

Moreover Anastasia has distinguished herself as a member of the degree programme committee, a group of students and staff which advises management on educational approach and programme content. Her contribution here is highly appreciated.

Next to that she is a very nice person to work with.

In conclusion, I would like to recommend her for the position she is applying for.

With kind regards,

Frank Peters
